They are so broken up at his good fortune, at their expense, they are mad at themselves. Ben generously let them in on his find and they all agree he is a jolly good fellow. Shh! Ladies! Secret to Darken Faded Gray Hair--Use Sage Tea

SAGE MIXED WITH SULPHUR RESTORES NATURAL COLOR AND LUSTRE TO HAIR

Why suffer the handicap of looking old. Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance.

Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, wispy and straggly just a few applications of Sage Tea and Sulphur restores its appearance a hundred fold.

Either prepare the tonic at home or get from any drug store a 50 cent bottle of "Wyeth's Sage and Sulphur Hair Remedy," ready to use; but listen, avoid preparations put up

by druggists as they usually use too much sulphur, which makes the hair sticky. Get "Wyeth's" which can always be depended upon to darken beautifully and is the best thing known to remove dandruff, stop scalp itching and falling hair.

By using Wyeth's Sage and Sulphur no one can possibly tell that you darkened your hair. It does it so naturally and evenly—you moisten a sponge or soft brush, drawing this through the hair, taking one small strand at a time which requires but a few moments. Do this at night and by morning the gray hair disappears; after another application or two its natural color is restored and it becomes glossy and lustrous and you appear years younger.

A half ton of bullion, the result of the bimonthly clean-up of the MacNamara mill, was shipped today to the Selby smelter by the MacNamara company. The estimated value of the shipment was given as about \$12,000.

Josephs declared himself as highly pleased, not only with present conditions at the mine, but with the future prospect.

Climate Failed: Medicine Effective

CLIMATE FAILED; MEDICINE EFF. Best, fresh air and well cooked, nourishing food do help many persons suffering with lung trouble. But in many cases the disease is only temporarily "arrested," and something more is needed. Eckman's Alternative is a medicine for throat and lung troubles and has brought about many complete recoveries—in many cases where surroundings were not ideal. Judging by the many reports of recoveries received we believe it should be used in every case of lung trouble. A remarkable case follows:

"My Dear Sir: Through your instrumentality I have been saved from a premature grave. On December 11, 1904, I was taken with Typhoid pneumonia which developed into consumption. In February, 1905, I went to Fort Worth, Texas, and later to Canon City, Colorado. After being there two weeks, my physician informed me that my case was hopeless. Three weeks later I returned home, weighing 103 pounds, the doctor having given me no assurance of reaching there alive. On July 14, 1905, I began taking Eckman's wonderful remedy for consumption. Today I weigh 138 pounds. I am stout and well and can do any kind of work about my grain elevator. (Attidavit) (Above abbreviated, more on request.) Eckman's Alternative has been proven by many years' test to be most efficacious in cases of severe throat and lung affection, bronchitis, bronchial asthma, stubborn colds and in up-building the system. Does not contain narcotic, poison or habit-forming drugs. For sale by all leading druggists. Write the Eckman Laboratory, Philadelphia, Pa., for booklet telling of recoveries and additional evidence.
